

# Exhibition portfolio 2025

# History

Founded in **2020**, Majco has evolved from a small local business to a nationally recognized leader in event and booth design services, serving diverse industries.

## Core Values

Creativity : Pushing boundaries to create unique experiences.

Integrity : Building trust through transparent practices.

Client-Centricity: Prioritizing client needs and satisfaction.

Quality : Commitment to excellence in every project.

Collaboration : Partnering with clients and vendors for success.

## **Mission**

To deliver exceptional event experiences that resonate with audiences and meet our clients' strategic goals.

## **Vision**

To be the premier partner for innovative and memorable event design, setting the standard in the industry.

## Event Planning

Comprehensive planning and execution of events from concept to completion, ensuring seamless experiences

## Booth Design

Custom booth designs that reflect client branding and engage audiences effectively.

## Logistics Management

Full-service logistics handling, including transportation, setup, and teardown, ensuring every detail is managed

## Consultation Services

Providing expert advice on event strategy, design, and implementation for optimal results.

**OUR**  
**BEST SERVICE**

---

# Design Process

---

## Consultation

Initial meetings to understand client needs, goals, and vision for the event

01

## Concept Development

Brainstorming sessions and creating initial sketches, mood boards, and design proposals.

02

## Design Approval

Presenting concepts to clients, gathering feedback, and making necessary adjustments for approval.

03

## Execution

Coordinating all logistics, including vendor management, setup, and on-site coordination during the event.

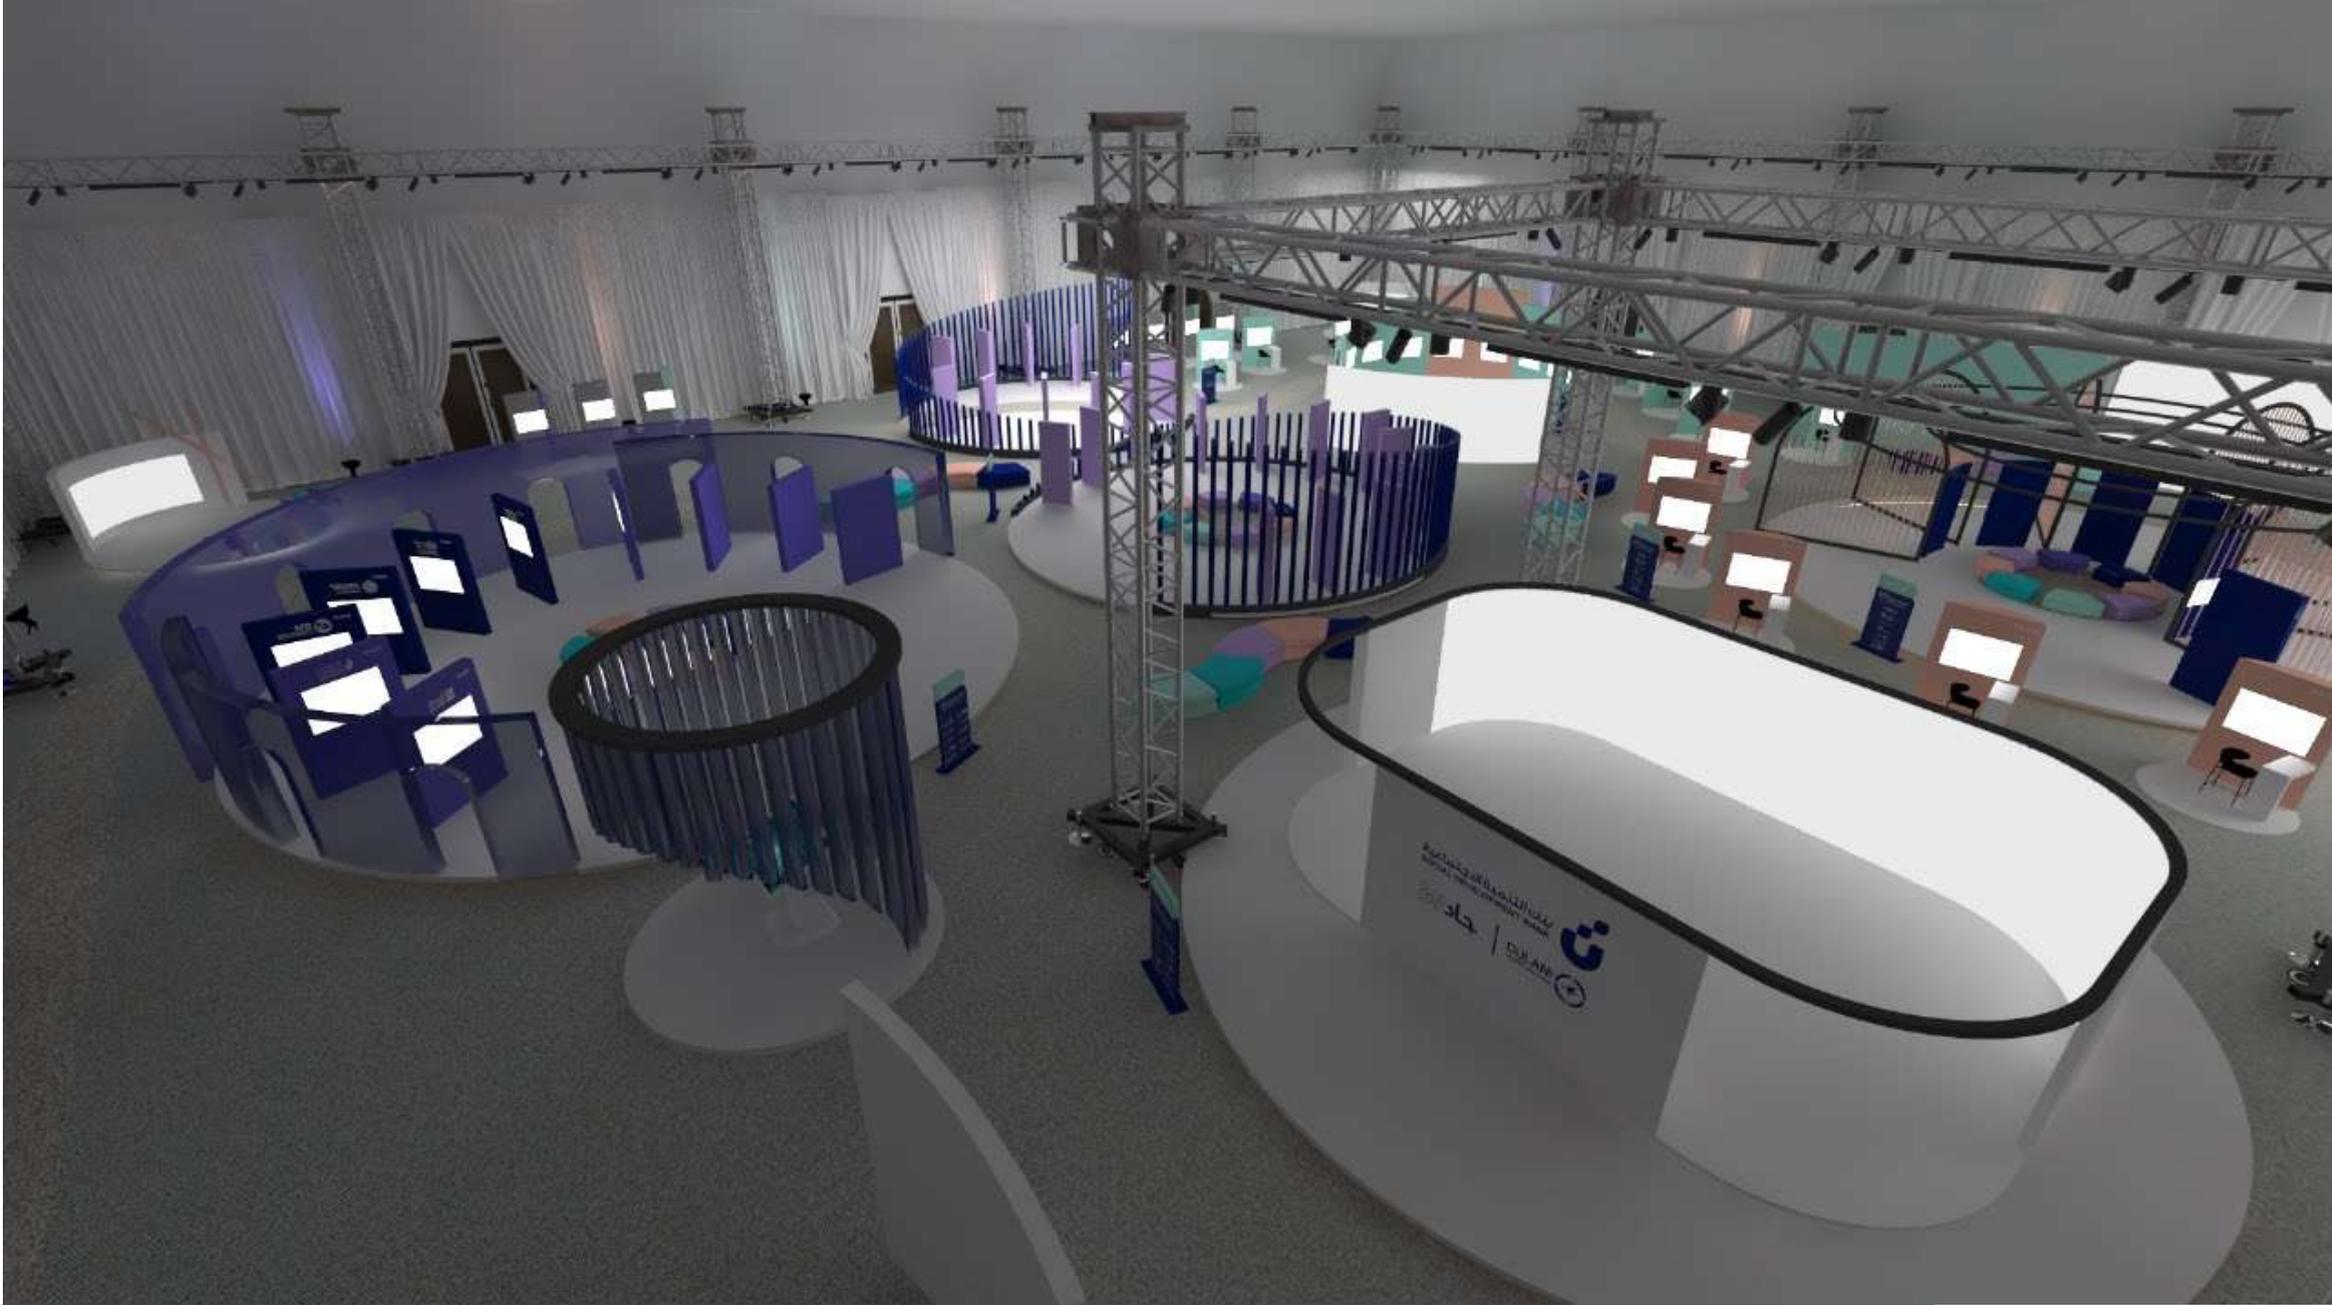

04

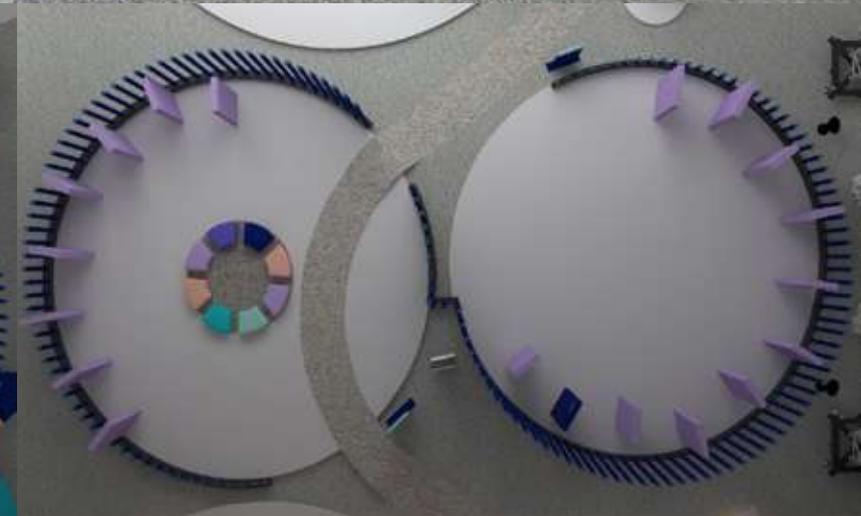

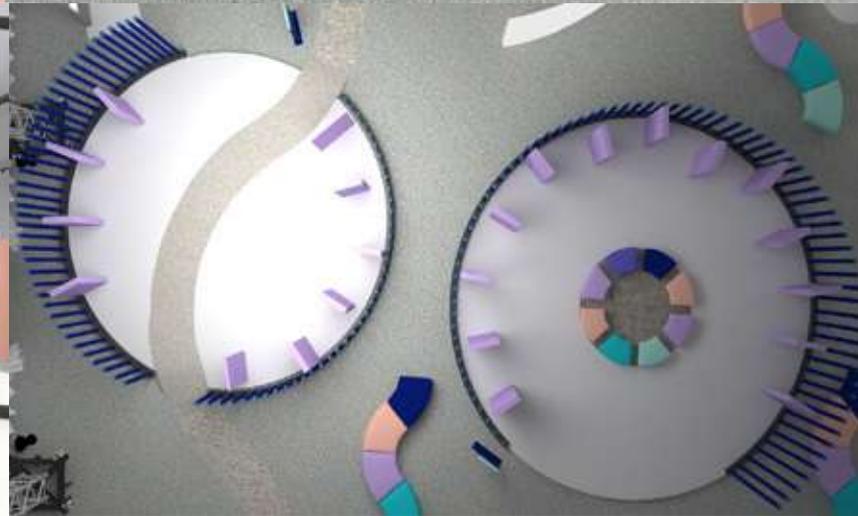

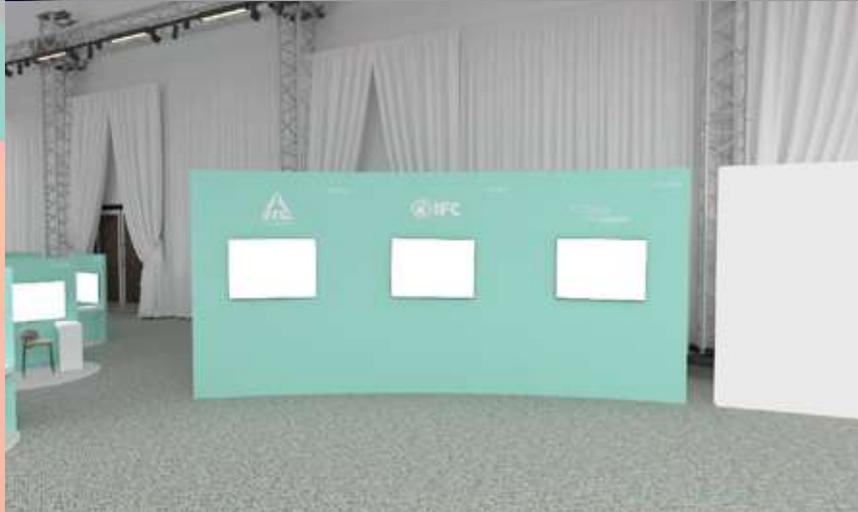

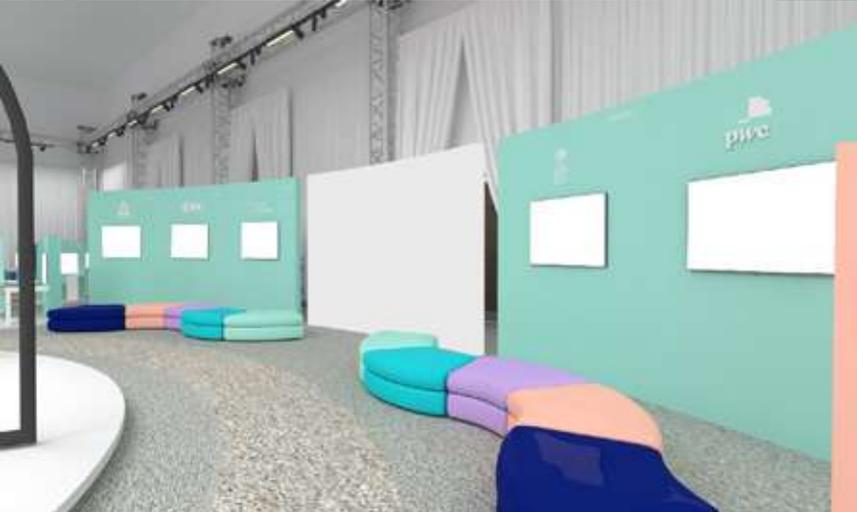

## Post-Event Review

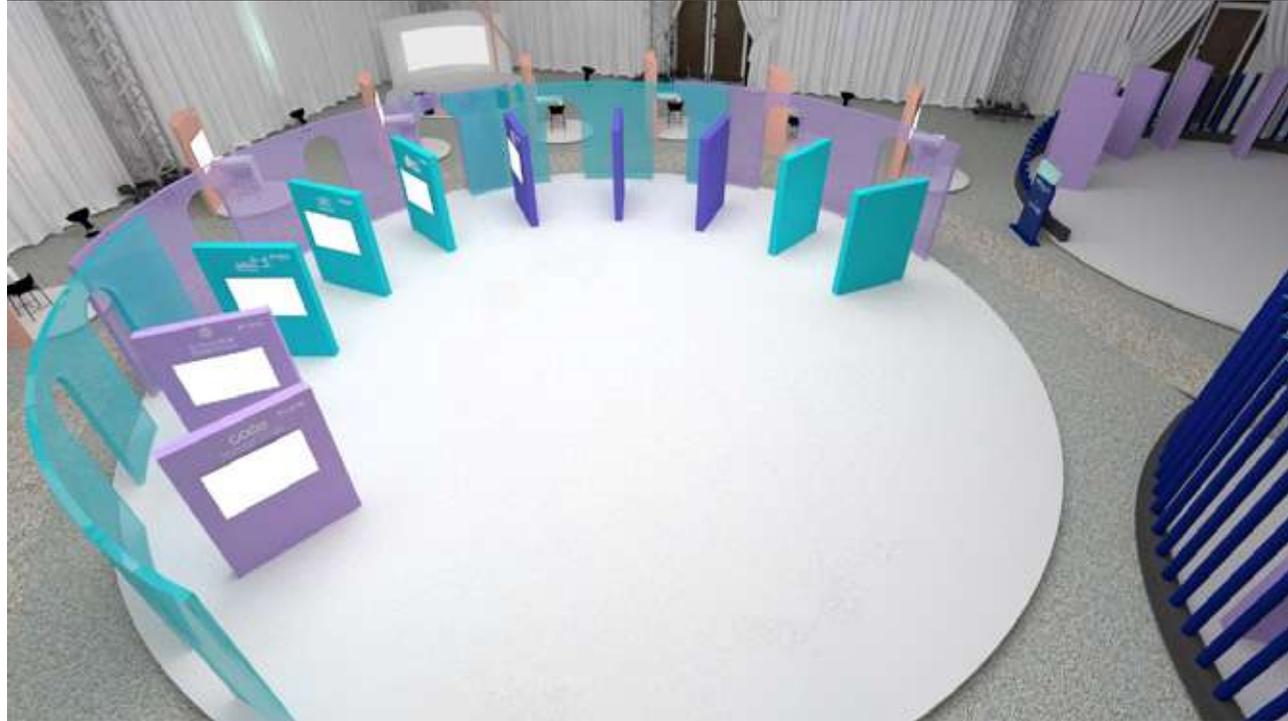

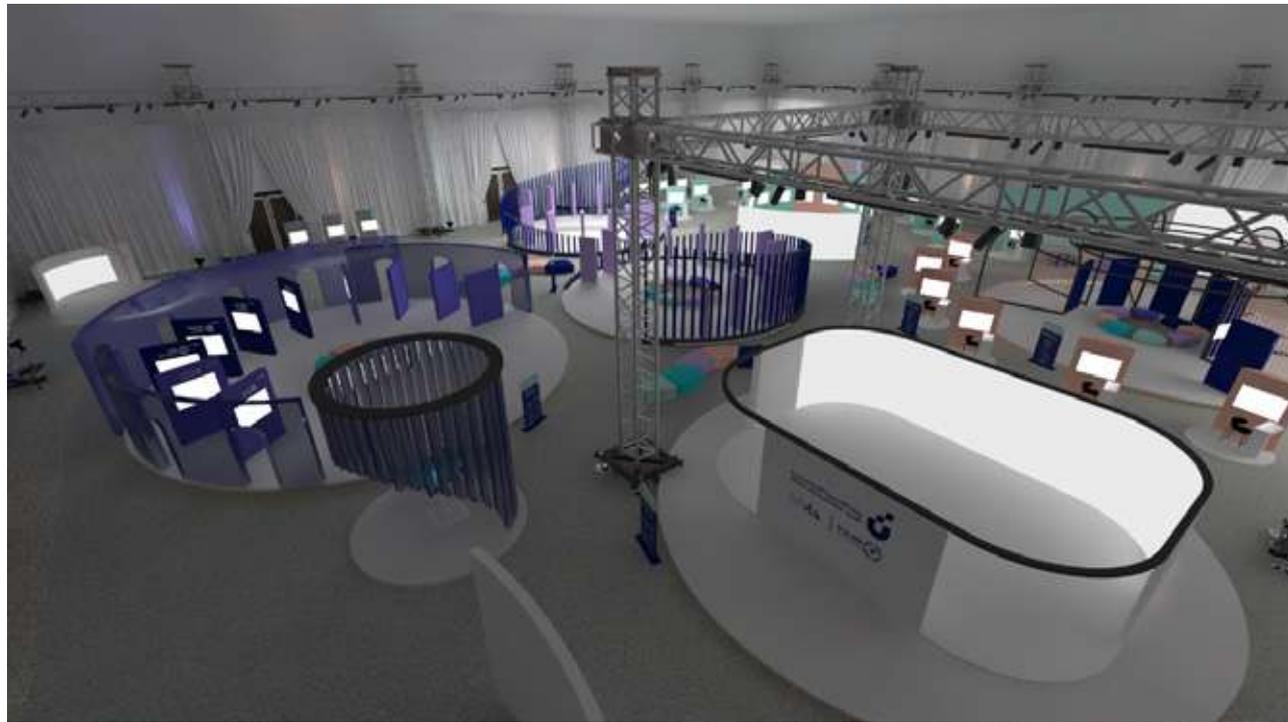

Conducting a debrief with clients to gather feedback, assess success metrics, and discuss areas for improvement.
